

Buoyancy Certificate

ISAF Plaque Number:

1051

Date of Floatation Check:

19 JAN 2025

A buoyancy certificate is valid maximum five (5) years from the date of buoyancy check.

The yacht has been checked under the following conditions:

- The boat was in racing condition and with an extra 35kg lead ballast placed within 100mm from 0.55 x LWL from the bow station.
- The boat was filled with water and tilted over to starboard, to port, to the bow and to the stern in order to let air enclosed under deck and other parts of the hull to come out.

It was noticed that the boat floated in an approximate horizontal position.
